Dear Mr. Rettig:

Enclosed are four reports concerning the Herculaneum Lead Smelter located in Herculaneum, Missouri. During our July 6, 2000, telephone conversation, I had indicated that a Site Inspection had been conducted at the site. This was not correct. The Environmental Protection Agency has not conducted a Site Inspection or an Expanded Site Inspection at this site.

Please contact me at (913) 551-7755 if you need any additional information concerning this site.

Sincerely,

Bruce Morrison
